Screening

Qualified candidates are hard to come by. Once you determine a potential candidate has the technical and professional skills you desire, you need to ascertain whether they are as good as they say they are. By utilizing InterSearch Corporate Services, you can be assured that the candidates sent to you have been put through a rigorous screening process. Candidates selected by InterSearch Corporate Services are of high caliber with stellar backgrounds and confirmed credentials.

Mandatory Screening

- relevant project specific employment references (minimum of 3 recent)
- criminal background check - Federal, State and County
- education verification
- credit report
- social security verification
- driving record verification

Upon Request

- drug testing
- professional license and credentials verification
- professional liability insurance verification
- sex offender registry - national/international
